Faith Sharing for Lent

This Lent we will once again offer a special Faith Sharing program for all of our parishioners. This year the Lenten program is entitled "As I Have Loved You." Each session includes time for prayer, reflection, fellowship and service. Materials are concise and lively, and it is made for people with busy lives but open hearts. It will begin with the week of Feb. 22nd and end during the week of March 29th. This is a great follow-up to all those who attended "New Beginnings" last fall. Check future bulletins for dates, times and locations. We hope many parishioners will sign-up for this. Here is a rundown of all the sessions:

- Week of

Preparing Before Lent Begins

Taking some time to get ready for Lent will ensure that we aren't going to miss the first week or two of Lent, because we are just getting started. Lent begins on Ash Wednesday, but we want to be ready to really take off on that day, rather than just beginning to think about Lent on that day. Part of what makes a vacation or a special anniversary so special is the build-up to it.

Before we get to Ash Wednesday, we should start asking ourselves some questions and we should start with some preparations. "What does God want to give me this year?" This question may require that I slow down a bit and listen to my inner spirit. For example, even if I'm very busy, I realize I'm hungry when I hear my stomach start "growling." What am I going to be doing on Ash Wednesday? Too often, Ash Wednesday is like every other day, except that I manage to get to church and get ashes on my forehead. Is there anything else I can do on Ash Wednesday? How will fasting and abstaining happen for me, for my family on that special day?

It doesn't take a lot of time to prepare for the beginning of Lent. It just takes desire and focus. God can do so much with that. We can give God more of a space to touch our hearts if we begin to establish some simple patterns. We could wake up each morning, and for something like a half a minute to a minute, stand by the edge of our beds, and just ask the Lord for the grace to let this day be one in which I long for the beginning of Lent. Perhaps we need to ask for specific helps or graces to get ready to begin Lent. And each night, in the days ahead, we can practice giving thanks to God before I go to bed. This simple pattern, in the morning and evening can stir our spirits to look forward to and prepare for Lent, as a season of grace.

May our Lord Bless us all on this journey ahead.

6th Sunday of Ordinary Time

*"Brothers and sisters: Whether you eat or drink, or whatever you do, do everything for the glory of God."
1 Corinthians 10:31*

Are you doing everything possible for the glory of God? Or is there maybe some other way that you could use your time, talent, or treasure for God's glory? Think about it.

English Translation

by Paul Turner

In the year 2001 the Vatican issued new rules for translating the liturgy from Latin into modern languages. Although the implications were not immediately apparent to most churchgoers, a new translation of worship texts has been undertaken, and the results will affect all who pray in Catholic churches around the world.

The Vatican still publishes its major documents in Latin, which serves as the source for translation into modern languages. For many years the English translation of the Mass followed a theory of translation that focused more on English idioms than on the Latin words and structures. Now the Vatican has asked that all modern languages adhere more closely to the Latin words. The results will change how Catholic worship sounds.

Many of the words at Mass are inspired by passages of the bible. By translating the Latin more literally, allusions to the Scriptures should be clearer. For example, just before receiving communion, Catholics have been saying, "Lord, I am not worthy to receive you, but only say the word and I shall be healed." But the revised translation, which presents more of the Latin words, says, "Lord, I am not worthy that you should enter under my roof, but only say the word and my soul shall be healed." This will more readily call to mind the words of the centurion who asked Jesus to heal his son (Mt 8:8).

The translation will display a wider vocabulary than the present one. The Latin *Missal* employs a muscular vocabulary of words for prayer, love, service, and other aspects of the Christian life. The revised translation captures more color from the original. The shape of the Mass will remain the same, but the new English translation should enhance the sound of what we say and hear.
