REFLECT CHRIST'S LIGHT

Strategic Pastoral Plan for the Archdiocese of Chicago 2011-2016

Last weekend we took a look at the impact Evangelization will have for the future of our Archdiocese and parish. As one of the three important areas of concern in the Strategic Pastoral Plan of the Archdiocese, we saw that there is a perceived drift among many people from practicing the faith as well as an uneven commitment to parishes. They found that a majority of Catholics who do not attend Mass regularly are present when their children receive the sacraments. Many Catholics also do not give much importance to sacraments in general. Their findings indicate a need to focus on evangelization of teens, young adults and especially to parents when their children are being prepared for the sacraments. A restoration of the meaning and value of sacraments in people's lives also need to be addressed.

Today let's take a look at the second area of concern: Formation, and see what the Archdiocese found and what needs to be done.

Research findings and imperatives - Formation

Formation	What we found	What this means we should do
<ul style="list-style-type: none"> • An uncertainty that a new generation or even the previous one has the tools to express and live out the faith, including: knowledge of doctrine or teaching, knowing the ways of prayer, and familiarity with principles of morality that direct decisions and behavior • As one moves to younger and younger people in the Church, there is a proportionate decrease in the ecclesial socialization or a sense of belonging to the Church 	<ul style="list-style-type: none"> • The majority of Catholics feel somewhat ill-equipped regarding their knowledge of their faith • Significant gaps occur for Catholics in the transition between knowledge and conviction • Catechists are committed Catholics and teachers, but have gaps in their knowledge, beliefs, and practice 	<ul style="list-style-type: none"> • Focus lifelong learning about the Catholic faith • Identify opportunities to engage the hearts of Catholics as they mature in their spiritual lives • Identify ways to improve the consistency of teaching about the faith

SUMMER MISSION APPEAL Weekend of July 9/10, 2011

Please welcome Fr. Raphael Makori who is here to speak on behalf of the Catholic Diocese of Musoma, Tanzania. The Diocese of Musoma includes the whole Mara region in northern Tanzania. The diocese is located between two famous landmarks: Lake Victoria, the second largest fresh water Lake in the world (after Lake Superior) and the Srengeti National Park, a home of millions of wild animals. The Diocese intends to seek financial support towards the construction of a community school for poor children. Life in Tanzania is extremely challenging and a big number of children, have no opportunity to go to school. Thank you for your support during this appeal.

Reflect Christ's Light

Have you heard the good news?

The National Study of Youth and Religion found "most Catholic young people report that their religious faith is somewhat (42%), very (31%) or extremely (11%) important in shaping their daily lives and in making important life decisions."

The Strategic Pastoral Plan states:

Most Catholics who leave regular practice of their faith do so by age 24.

How do we get started?

The Strategic Pastoral Plan is divided by years. Starting this month, July, 2011 through July 2012, the year for Teens and Young Adults takes place. It will formally begin at World Youth Day Chicago on August 20-21. Check the flyer that is posted in the back of church as well as around the neighborhood.

What is our mission?

To re-engage youth (14-24) to our parish. Anyone who wishes to participate can see Fr. Jim or call him at the rectory at 773-646-4877.

For World Youth Day, Chicago Style II go to:

www.youthministry-chicago.org and click on the 'register now' link. Pre-registration is required. No walk-ins.

Teens and Young Adults (18-25) from the Archdiocese of Chicago will gather at Maryville - Our Lady of Guadalupe Chapel and Shrine, 1100 North River Road in Des Plaines, for an overnight celebration emulating the World Youth Day 2011 events taking place in Madrid, Spain. During this special initiative participants will celebrate their faith with performances from national and local artists, participate in liturgical and adoration activities and share in the closing address of Pope Benedict from Madrid.

***Deeper Meaning.
Same Mass.***

What is the timeline for the approval and implementation of the Missal?

After the Latin *Missale Romanum* was published in 2002, ICEL began its work of preparing a draft English translation of the text. ICEL presented the first section—the Order of Mass, which contains the fixed prayers of the Mass, including the people's parts—to the English speaking conference of bishops in 2004. The USCCB approved the final version in 2006, and the Holy See confirmed this section in June 2008. The remaining sections were approved between 2007 and 2009. The USCCB completed its approval of the *Missal* in November 2009. The Holy See granted the final approval of the text in the spring of 2010. Cardinal Francis George, OMI, president of the USCCB, announced that parishes may begin using the revised translation on November 27, 2011.

Can we start using the texts approved by the bishops immediately?

The translation of the *Missale Romanum* could not be used in the celebration of the Mass until the complete text was confirmed by the Holy See. Now that the translation has received *recognitio*, the USCCB has established the first day on which the new translation may be used. Use of the revised text requires preparation and catechesis for both priests and the faithful. When the time comes to use the texts in the celebration of the Mass, priests will be properly trained, the faithful will have an understanding and appreciation of what is being prayed, and musical settings for the liturgical texts will be readily available.

Do these changes mean that the old translation was not valid and orthodox?

The current translation was approved by the conferences of bishops and confirmed by the Holy See. Until the new text becomes effective, the current translation remains the valid ordinary form of the Liturgy in the Roman Rite. The revised translation attempts to address some inadequacies in the present translation by introducing a more elevated style of language and by retaining many poetic texts and scriptural allusions. The current translation fostered the faith of two generations of Catholics and retains a valid place in church history.
