Dear Parishioners of St. Florian:

The St. Florian Holy Name Society would like to thank everyone who attended and supported the St. Valentine Polish Dinner. Kudos to all who provided the elegant decorations placed on each table, and the baked goods donated for the dessert table. We would also like to thank the Rectory Staff for providing the keys and support for the dinner. Finally, we want to extend our gratitude to all that helped with set up and clean up. We really appreciate your dedication. The success of the dinner can only happen when everyone works together as a team and our parish exemplified this last Saturday evening.

With sincere thanks and
God Bless St. Florian Parish,

Year of the Sacraments

Pope Francis' Vision of Healing and Communion

July 2014 - June 2015

Year of Sacraments • One Word at a Time

Repair

In the Sacrament of Penance, the priest offers what is called a “penance,” usually a prayer or action. It is nothing severe or difficult to do. But don’t think that it is of little importance. In fact, it’s very important.

The penance is a small way to begin to **repair** the damage of sin. We confess our sins, and we receive absolution, the forgiveness of those sins. Still, the residue or consequences of sin remain. If we have been unjust or unkind, we need to repair the damage. If we have succumbed to habits that diminish us, we need to repair the damage. If we have ignored the needs of others, we need to repair the damage. The penance reminds us that a converted and forgiven heart will claim responsibility and then move forward. The penance may be a short prayer or a small action, but do not underestimate its value.

Reparar

En el sacramento de la Penitencia, el sacerdote encomienda lo que se denomina “una penitencia”, generalmente una oración o una obra. No es nada severo o difícil de hacer.

Pero no debemos pensar que es de poca importancia. De hecho, es muy importante.

La penitencia es una manera simple de empezar a **reparar** el daño del pecado. Confesamos nuestros pecados y recibimos absolución, el perdón de estos pecados. No obstante, los residuos y las consecuencias del pecado permanecen. Si hemos sido injustos o poco amables, debemos reparar el daño. Si hemos sucumbido a hábitos que nos disminuyen, debemos reparar el daño. Si hemos ignorado las necesidades de los demás, debemos reparar el daño. La penitencia nos recuerda que un corazón convertido y perdonado pide responsabilidad y, luego, avanza. La penitencia puede ser una breve oración o una pequeña obra, pero no debemos subestimar su valor.
