Mass Intentions

Any Catholic may offer up the Mass in which he or she participates for any good intention. Certainly, graces will accrue in accordance with the intensity of that person's participation and sincerity. However, the custom of requesting a priest to offer the Mass for a specific intention, even when one cannot be physically present at the Mass, is a long-standing tradition in the Church. This is because the Church considers the Mass as the greatest possible prayer of intercession insofar as it is the perfect offering of Christ to the Father by making present the paschal mystery of his death and resurrection. The faithful generally make an offering, called a stipend, to the priest in order to apply the Mass to a specific intention. By making this offering, the faithful, by parting with something that is their own, associate themselves more intimately with Christ who offers himself in the sacred Host, and obtain thereby more abundant fruits. Thus, in normal circumstances, a priest may only accept one stipend for any one Mass even though he may offer up the Mass for several intentions.

Mother's Day Collection

On Mother's Day, when you honor the women who formed your life, please remember all the women and children served by Catholic Charities who need your love and support at a critical time. With your gift, you can change the course of a woman's life and the lives of the children who depend on her. Thank you.

Health Screenings

One of the many services offered by Catholic Charities is an opportunity to have FREE health screenings and inoculations. Physicians and nurses provide these necessary services each summer at Catholic Charities sponsored Health Fairs at no cost for children or adults.

In order to accommodate many more youngsters and adults, our annual health fair will take place on Saturday, May 17th at Seton Academy, 16100 Seton Drive, South Holland, IL.

This convenient location is available and accessible for all who may wish to take advantage of these services.

The Women's Centers of Greater Chicagoland Baby Bottle Project

Beginning April 20, 2014, our church will be participating in the Baby Bottle Project benefitting the Women's Centers of Greater Chicagoland. This non-profit organization directly assists mothers and families experiencing crisis pregnancies by offering emotional, financial, material, and spiritual support through counseling, clothing & monetary provisions, prayer and other aid. Each year the three locations together have over 5,000 appointments with expecting mothers. By God's Grace, the Women's Centers have saved over 36,000 babies—and their mothers—from abortion since opening in 1984.

Please take a Baby Bottle home with you on APRIL 20, fill it with your spare change, and return it the weekend of MAY 11.

This is a simple, but crucial fundraising effort for the Women's Centers. Please note the Baby Bottles cost almost \$1.00 per bottle and are recycled afterwards so please return upon completion of the project. Thank you for helping defend life, and remember to keep all pro-life undertakings in your prayers.

Raising Faith-Filled Kids - One Word at a Time

Awaken

A young couple I know from church gave birth to their first child recently. After offering sincere but brief congratulations, a friend asked them, "Are you getting any sleep?" The couple launched into a story of how often their baby awakens in the night. Having kids does wake us up in the middle of the night, but it can also wake us up to the gifts of the Spirit. Spiritually aware parents awaken to

- the miracle of birth
- an intense love for this sacred person
- a fierce commitment to do what's best for a helpless child
- the fact that God is at the heart of this newfound relationship

So awaken! God is present in the middle of the night and throughout each and every day.

—Tom McGrath

Criando hijos creyentes • una palabra a la vez

Despertar

Una joven pareja que conozco de la iglesia tuvo su primer hijo hace muy poco. Después de darles unas sinceras aunque breves felicitaciones, un amigo les preguntó: "¿Han podido dormir?". La pareja comenzó a contar una historia sobre la frecuencia con la que se despertaba el bebé por la noche. Tener hijos sí que nos despierta en medio de la noche, pero también nos despierta a los dones del Espíritu. Los padres que tienen conciencia espiritual despiertan a:

- el milagro del nacimiento—un amor intenso por esta persona sagrada
- un profundo compromiso a hacer todo lo necesario por esta persona indefensa
- el hecho de que Dios está en el corazón de esta nueva relación

Entonces, ¡despertemos! Dios está presente en medio de la noche y a lo largo de todos y cada uno de los días.

—Tom McGrath
