Raising Faith-Filled Kids - One Word at a Time

Listen

When a young boy and his father went to the park, the dad struck up a conversation with other parents nearby.

His son stood by his side trying to get his attention: "Dad? Dad?" The father, so attentive to the other adults, seemed oblivious to his child. Similarly, as a mom was picking up her kids from school and loading them into the minivan, her daughter told a rambling story about what happened in class that day. The mom was preoccupied until her daughter suddenly stopped and asked, "Mom, are you listening?" Listening is not always easy. The Rule of Saint Benedict calls monks to "listen with the ear of the heart." One of the most meaningful gifts we parents can give our children is to listen — without distraction and with a listening heart. — Tom McGrath

Criando hijos creyentes • una palabra a la vez

Escuchar

Cuando un niño y su papá fueron al parque, el papá empezó a conversar con otros padres que estaban cerca. El niño se quedó

a su lado tratando de llamar su atención: "¿Papi? ¿Papi?". El papá, muy atento a los otros adultos, parecía ajeno a la presencia de su hijo. Del mismo modo, mientras una mamá iba a buscar a sus hijos a la escuela y los subía en el auto, la hija le contaba una historia incoherente sobre algo que había sucedido en la clase ese día. La madre estaba distraída hasta que la hija de repente interrumpió el relato y le preguntó: "¿Estás escuchando, mamá?". No siempre es fácil escuchar. La regla de san Benito invita a los monjes a "escuchar con los oídos del corazón". Uno de los regalos más importantes que los padres podemos hacer a nuestros hijos es escucharlos, sin juzgar y con el corazón abierto. — Tom McGrath

MARRIAGE

Unique for a Reason

ONE MAN, ONE WOMAN, FOR LIFE
 Messages on Marriage Redefinition

The big picture

Marriage is a great gift to men, women, children and society. The Church serves and strengthens marriage by providing pastoral care to engaged couples and marriages at all stages, and in any difficulty. The Church promotes and defends marriage by preaching and teaching about marriage's authentic meaning.

Marriage is natural

Marriage is a natural institution. It predates both religion and government and is grounded in the nature of the human person. Despite cultural variations, every human society in the entire history of the human race has understood that marriage is a sexual union of man and woman with the purpose of procreating and educating the next generation, and so marriage has with reason been given a unique status in the law. While Jesus elevates Christian marriage to a sacrament, the complementarity of the sexes and the natural meaning of marriage can be known through reason without appealing to scripture.

Equality and Rights

Affirming the true definition of marriage denies no one their basic rights. On the contrary, protecting marriage affirms the basic rights and equal dignity of women and men and safeguards the basic rights and equal protection of children.

These messages come from a statement issued by the United States Conference of Catholic Bishops.
