Good news about sending your children to St. Florian School!

If you haven't heard the good news for the coming school year, we'll share it with you now. If you have heard, keep reading for more information.

For a number of years, the diocese of Gary, Indiana has offered a tuition rate that has been significantly lower than ours. As a result, many school families have left St. Florian seeking a more affordable school. We have consulted with Cardinal George and the school superintendent, Sr. Mary Paul, about our concerns and they have granted us permission to reduce St. Florian's tuition from \$3,800 to \$2,500 for the 2009-2010 school year.

The good news is meant to help our school in two ways – to encourage current school families to continue sending their children to St. Florian instead of looking elsewhere; and, to make our school more attractive to other families in the neighborhood who thought they could not afford to come to St Florian.

So be sure to enjoy the good news with each other, but don't forget to let others know as well. In this way we will be able to rebuild St. Florian School. A higher enrollment secures a Catholic presence of education in Hegewisch. It will also open the door to new programs and activities for our students and allow our faculty to increase.

As you can see this is a win-win situation for everyone. To those of you who have already registered, thank you for choosing St. Florian. To those who have not registered, come in and register as soon as possible. Together with students, faculty and school board, we can rebuild our school that all of us can be proud of.

Yours in Christ,

Fr. Jim Mezydlo, Pastor

Philip McKenna, Principal
